DETAILED ACTION

Claim Rejections - 35 USC § 112

1. The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

2. Claims 9,10,13-17,19-23 and 26-28 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

In regard to claims 9,16 and 22, the examiner cannot ascertain where the preamble and the claimed limitation starts making it difficult to understand what is actually being claimed.

In regard to claims 9,16 and 22, the use of the phrase "and/or" is indefinite since it is unclear if the limitation is limiting.

In regard to claims 9 and 16, as best as the preamble can be understood, the preamble claims a heat seal device, which moves a tube. It is not clear to the examiner if the heat seal device moves the tube or if the filling machine. As the examiner understands the invention, the heat seal device is comprised of the heat seal jaws.

In regard to claims 9,16 and 22, the examiner cannot ascertain the scope of the phrase "under a liquid surface of the liquid food" as it pertains to sealing.

Allowable Subject Matter

3. Claims 9,16 and 22 would be allowable if rewritten or amended to overcome the rejection(s) under 35 U.S.C. 112, 2nd paragraph, set forth in this Office action.

4. Claims 10,13-15,17,19-21,23 and 26-28 would be allowable if rewritten to overcome the rejection(s) under 35 U.S.C. 112, 2nd paragraph, set forth in this Office action and to include all of the limitations of the base claim and any intervening claims.

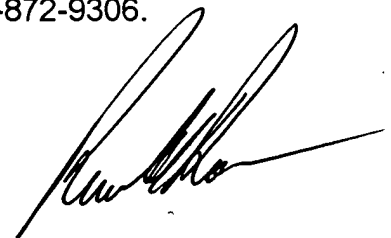

Response to Arguments

5. Applicant's arguments and amendments to the claims filed 1/6/2005, with respect to the claims have been fully considered and are persuasive. The rejection of claims 9,10,13-17,19-23 and 26-28 under § 103(a) has been withdrawn.
